SOUTHLAND

ABOUT US

Starting in the 1980s, this local watering hole has changed concepts throughout the years before last being renovated in early 2019.

We reopened as Southland Yard Bar + Table in March 2019 with a new mission:

To bring a playful, unique space to SE Calgary.

The core of our business is **FUN**, and we designed our bar to be just that; with an indoor bocce green, shuffleboard table, pool table, and a 30-machine VLT room, there's something entertaining around every corner.
